

## George Harvey

George Harvey has a wide range of experience in oil and gas accounting.

### About The Instructor

George has held, or holds, memberships in the Petroleum Accounting Society of Dallas, where he served on the Audit and Joint Venture committees, the Association for Financial Professionals where he was selected for recognition in AFP Honors 2005, 2007 and 2008 and in the Financial Executives International (FEI).

### Professional Background

George is Managing Director of Upstream Financial Associates, LLC, a consulting firm dedicated to providing quality treasury and financial services to small and mid-market oil and gas companies. Prior to founding UFA, Mr. Harvey spent over 30 years in financial capacities in the oil and gas industry, including 6 years as Divisional Controller and 19 years as Treasurer for Nexen Petroleum U.S.A. Inc.

### Educational Background

He holds a bachelor's degree with an emphasis in Finance and Accounting from Southern Methodist University. He is a Certified Treasury Professional and holds certificates of completion from the Graduate Finance Certificate Program at SMU and the Corporate Finance Program at the University of Michigan.
