

Glede Holman

Glede is President of Compass Companies, Inc., which includes the consulting company Compass Professional Services.

About The Instructor

Glede grew up in the oil patch of Northeast Oklahoma, eventually experiencing pumping, roustabout, drilling, and management activities before entering service in the Armed Forces. He is also a professional diver and professional sailor.

Glede's education includes an Associate in Arts from New Mexico Military Institute, Bachelor of Science from California Coast University, Bachelor of Science from Oklahoma City University and a Juris Doctor from Oklahoma City University School of Law. When not at work, Glede enjoys spending time with family, motorcycle riding, SCUBA diving, and competitive sailing – which will include the 2019 Marblehead to Halifax Ocean Race.

Professional Background

Glede has over 15-years of experience in the risk management field and is a retired Risk Manager with experience in upstream/midstream oil & gas, higher education, for-profit corporations and non-profit corporations. He holds the professional credential of RIMS Certified Risk Management Professional. He is active with the Risk Management Society, and has received the RIMS Certified Risk Management Professional credential.
